Dear Mr Argent

Thank you for the wonderfully generous donation of **£1,343.96** from your annual lunch. Revd. Andrew Wright thoroughly enjoyed the event and was moved by the goodwill and support for The Mission to Seafarers.

The Mission to Seafarers is the world's largest maritime charity and is proud to work in very close partnership with the Anglican Communion throughout the world. We provide help and support to seafarers who face danger every day to keep our global economy afloat. More than 90% of what we consume is brought to us via the sea. Without seafarers, our lives would be greatly diminished. The Mission to Seafarers works in over 200 ports in 50 countries, caring for seafarers through our network of chaplains, staff and volunteers. Your support is vital if we are to continue our mission.

Our work is only made possible by the kindness and generosity of our supporters like you and The British Association of Cargo Surveyors. On behalf of all the seafarers we serve – thank you.

Yours sincerely
